## **2006 Tentative Budget**

Supervisor Foss reported that he is currently preparing the 2006 Budget and it will be completed by October 1<sup>st</sup>. The County Budget Crisis is creating problems in determining what the Town will have to do to maintain services. To date we will have to supplement the Library Budget to keep it open as was announced officially September 1<sup>st</sup>. Everything else is still unsettled and we may not know until after January 1<sup>st</sup> when the new Legislature convenes. The Town has sufficient reserves to cover the Library cost without raising taxes. The General Fund will again have a zero tax rate and the Highway and Sanitation will remain the same. All Water Districts will remain the same. We will continue to work to keep Marilla's tax rates at a reasonable and affordable level.
